

## Ice Rink Rules

**Thank you to the Bexley Community Foundation for their support! As we open use for the ice rink, please make sure you view our rules and regulations for this program.**

### **Participant Expectations**

This community ice rink is an outdoor, weather dependent program and may not compare to the experience you would get at The Chiller (i.e extreme smooth surface, zamboni every 1-2 hours, etc.) The outside elements will be a factor, including the sun. Parents will also be responsible for assisting young children as the walls are only 2 feet high.

### **Pre-Registration & Arrival**

- Pre-registration is required with a max of 40 spots per time slot. Walk-ups will not be accepted.
- Registration closed at 11:59pm the night before each skating day.
- Please arrive no earlier than 5 minutes before your scheduled skate time.
- Ice skates will be available for FREE as part of your registration. These will be sanitized between each use. Please note, sizes will be subject to availability.
- Any rented skates MUST be returned after you are done skating.
- If you have your own ice skates, we encourage you to bring them!
- We plan to have free hot chocolate on site for participants to enjoy.

### **Refund Policy:**

- It is very possible that time slots may be forced to cancel if the weather forecast changes after registration opens.
- If this happens, all payments will be fully refunded.

### **Health & Safety Policy:**

- If you, or anyone in your family, is feeling unwell, we ask that you DO NOT come on site to the rink.

### **Changing Space & Accessing the Rink**

- Chairs will be provided for lacing skates. Please keep personal belongings (shoes, bags, etc.) in these designated areas.
- When your ice skates are on, please stay on the black mats when not on the ice.
- Enter and exit the rink on the steps. Please do not enter or exit on the edges.
  - Please be extremely careful when entering and exiting the ice.
- After your session ends, please disperse to allow for the next group to arrive.

### **On the Ice:**

- One person may enter/exit at a time using the steps.
- Helmets are required for all participants age 11 and under.
- Helmets are strongly encouraged for all participants.
- Hockey sticks and additional sporting equipment are not permitted.
